

## Have FUN while staying SAFE!

### The Rules of Play:

1. **Age Limit:** You need to be **12 years or older** to drive one of our Mini Tanks.
2. **Sign the Waiver:** Before you get rolling, you'll need to read, understand and sign a liability waiver.
3. **No Smoking/Vaping:** No smoking or vaping in the park due to fire risk and littering.
4. **Paintball Gun Safety:** Keep your gun on "SAFETY" at all times unless in a designated shooting area.
5. **Keep your distance:** Don't shoot at foot soldiers or tanks within 8m
6. **Respect Others:** No shooting at staff, anybody in or around the reload bay, spectators or animals!
7. **They're NOT Bumper Tanks:** No crashing your tank into trees, thick bushes or obstacles. Don't ram into other tanks. We're here for a paintball battle, not bumper cars!
8. **No Dry Firing:** If you're out of ammo, keep it chill. No firing when you're empty. Head to the reload bay and we will fill you up! Keep an eye out for the Marshall who might signal you when you're out of ammo (in case you can't hear it).
9. **Stay in Your Tank:** Don't exit your tank in the field of play. Stay safe and pop up your hand if you have stalled or require assistance!
10. **FOOT SOLDIERS AND TANKS MUST STAY IN THEIR OWN DESIGNATED AREAS!**
11. **Safety Gear:** Your helmet is your best friend—keep it on at all times.
12. **End of Session:** When your time is up, head straight back to the tank assembly point. Follow staff directions and don't lift the shell of the tank without a staff member present.

### Our Duty of Care:

We're all about safety at Topfun Tanks. If we have reasonable concerns about someone's ability to safely participate (whether due to alcohol, drugs, or any other reason – INCLUDING NOT LISTENING DURING SAFETY BRIEFINGS), we cannot let them operate the tank or paintball gun.

We want everyone to have **FUN** and stay **SAFE!**

**Remember:** The main thing is to have a great time! Follow the rules, respect each other and the park.

It's time to get ready for an epic experience in your very own paintball mini tank.

Let's make it a day to remember!
